

Altair Technologies Ltd.

NON-DISCLOSURE AGREEMENT

Protected IT Infrastructure Information (ITII)

I, _____, an individual official, employee, consultant, or subcontractor of or to Altair Technologies Ltd., intending to be legally bound, hereby consent to the terms in this Agreement in consideration of my being granted conditional access to certain information, specified below, that is owned by, produced by, or in the possession of _____ (the Customer).

Signer will acknowledge the category or categories of information that he or she may have access to, and the signer's willingness to comply with the standards for protection by placing his or her initials in front of the applicable category or categories.

Initials	Type of information
	Network infrastructure information
	Firewall/VPN configuration
	Firewall/VPN logs
	Routing information

As used in this Agreement, sensitive information is an over-arching term that covers any information, not otherwise indicated above, which the loss of, misuse of, or unauthorized access to or modification of could adversely affect the interest, the conduct of business, or the privacy of the Customer

This Agreement shall be construed in accordance with the laws of the Province of Ontario, Canada, and the parties irrevocably consent to bring any action to enforce this Agreement in the federal or state courts located in Region of Peel, Ontario. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof, and supersedes all previous written or oral agreements between the parties with respect to such subject matter. All provisions hereof shall survive any termination of this Agreement as well as any other revisions which by their terms or sense are intended to survive.

I attest that I understand my responsibilities and that I am familiar with and will comply with the standards for protecting such information that I may have access to in accordance with the terms of this Agreement and the laws, regulations, and/or directives applicable to the specific categories of information to which I am granted access. I understand that the Customer may conduct inspections, at any time or place, for the purpose of ensuring compliance with the conditions for handling and safeguarding information under this Agreement.

I will not disclose or release any information provided to me pursuant to this Agreement without proper authority or authorization. Should situations arise that warrant the disclosure or release of such information I will do so only under approved circumstances and in accordance with the laws, regulations, or directives applicable to the specific categories of information. I will honor and comply with any and all dissemination restrictions cited or verbally relayed to me by the proper authority.

I hereby agree that material which I have in my possession and containing information covered by this Agreement, will be handled and safeguarded in a manner that affords sufficient protection to prevent the unauthorized disclosure of or inadvertent access to such information, consistent with the laws, regulations, or directives applicable to the specific categories of information. I agree that I shall return or destroy all information to which I have had access or which is in my possession 1) upon demand by an authorized individual; and/or 2) upon the conclusion of my duties to the Customer; and/or 3) upon the determination that my official duties do not require further access to such information.

Unless and until I am released in writing by an authorized representative of the Customer, I understand that all conditions and obligations imposed upon me by this Agreement apply during the time that I am granted conditional access, and at all times thereafter.

I represent and warrant that I have the authority to enter into this Agreement.
